

A young girl with long brown hair, wearing a white polo shirt, a dark blue cardigan, and a green skirt, is smiling and hanging from a wooden bar on a playground. She is wearing white socks and blue shoes. In the background, another girl in a similar uniform is visible, and there are green metal structures and a building in the distance.

“Our daughter’s dedicated teachers have taken the time to understand her strengths, challenges, and interests which have impacted her educational growth immensely.”

SPECIAL FRIENDS' DAY

“Oakwood is a school with core values and a mission statement that is lived everyday by all who attend.”

—Oakwood parent

Oakwood School is a special place.

We are fortunate to have a community of families that is deeply committed to supporting our educational mission and actively involved in the life of the school. We are also tremendously proud of the strength of our culture of philanthropy. We invite families to become engaged in the Oakwood community and to embrace the many opportunities to enhance each child's educational journey through our annual fundraising efforts.

Your contribution to the Oakwood Annual Fund gives us the greatest flexibility to use your gift where it is most needed. Annual Fund giving ensures the School's ability to provide the educational programs, resources, and school environment that not only optimize students' learning, creativity, and social development, but enable children to flourish.

“My Oakwood experience truly shaped my future by allowing me to engage in opportunities I never would have considered. I believe it is important to continue supporting Oakwood’s growth, because I received such a unique high school experience and I want that for more kids on a larger scale.”

—Oakwood alumnus

This year, and every year, we ask you to consider the Annual Fund as your philanthropic priority.

Every gift, no matter the size, is greatly appreciated.

Our focus for the Annual Fund again this year will be on our **Campus Fund**, which enables us to continue the ongoing efforts in support of our campus expansion. However, you may designate your gift for a specific purpose.

The Annual Fund is made up of the following designations:

- ▶ **Campus Fund** is designated for the enhancement and expansion of the Oakwood campus.
- ▶ **Science & Technology Fund** is used to strengthen and expand the school's technology and science resources.
- ▶ **Enrichment Fund** is used to grow the library and enhance the school's drama and enrichment programs.
- ▶ **Faculty Fund** is used to support faculty development and enhance faculty compensation.
- ▶ **Scholarship Fund** is used to expand and strengthen the school community by providing merit-based scholarships to deserving students.

“Oakwood has gifted me with incredible opportunities that have allowed me to experience many new things, from athletics to performing arts to exploring new countries. The faculty, staff, and student community have created a supportive environment that has allowed me to grow and thrive.”

—Oakwood student, '21

“The moment you step foot onto the Oakwood campus, it’s clear that it’s more than just a place for our children to learn but a place to get involved, participate, and support. All while having the pleasure of watching our students grow into well-rounded leaders of our community. No matter what the individual interests of a student may be, there will be an immediate sense of belonging while pursuing their passions and elevating their potential to the highest level in this exceptional environment.”
